

JANITORIAL, GARDEN & LEISURE

“FILLED WITH PRODUCTS DESIGNED TO ASSIST WITH DAY-TO-DAY TASKS AND THE MAINTENANCE OF PREMISES.”

The following section is packed full of products such as pressure washers, vacuums, garden tools, lawnmowers and much more! We are constantly adding new and exciting products throughout the year, so make sure you check out www.sealey.co.uk for our latest additions.

WHAT'S NEW?

ALL SEASON CAR COVERS WITH COMPLETELY WATERPROOF 3-LAYER BREATHABLE MATERIAL.

UV and heat protection

Completely waterproof

Protects against pollution

UV stable material ensures cover can be used during Summer months to protect vehicle from heat and the sun's rays without the risk of fabric degradation.

With use of external seams, this cover minimizes the risk of abrasion and ensures the cover is completely waterproof.

Cover provides resistance to environmental pollutants, tree sap and bird droppings.

Snow and ice protection

Cover protects vehicle against snow and ice, thanks to its waterproof 3-layer design.

3-layer breathable system

Made using a 3-layer cover allowing paintwork to breathe, preventing condensation forming and reducing the risk of damaging the vehicle's paintwork.

Lawnmowers

LOGOS EXPLAINED

VACUUM CLEANERS

Thanks to specialist filters, models marked with this symbol are able to be used on both wet and dry surfaces.

PRODUCT DEMONSTRATION

For detailed product videos and guides, keep an eye out for products with our Video logo. These videos are available to watch at www.sealey.co.uk or on our YouTube channel.

PRESSURE WASHERS

Automatically switches off motor when the trigger is released, increasing the life of the motor and saving energy.

The Rotablast Nozzle® rotates water delivered through the pump into a high powered cone shape, which is ideal for removing deep-seated grime.
